Chapter 1

The Bunny Thief

One summer morning the farmer went to his garden to water his plants. When he was done, he went into the house for a glass of lemonade. Later, he returned to the garden with his rake when he saw a little brown bunny sneaking into his garden. The farmer chased the bunny down into his hole. The bunny, tired from the chase, took a nap.

Here's something about me!

My name is Junior Bunny. The farmer has a prized carrot that I use for my carrot juice.
